

The University of Illinois at Urbana-Champaign offers a variety of educational and fun activities every summer for youth. Here are some of the camps and activities being offered during 2011. This list is not complete, but gives a sense of the summer opportunities for youth. Please use the program contact information to get more specific information about each camp or activity. For more information about public engagement activities throughout the year, visit <http://www.engage.illinois.edu>.
