Programs and Publicity

The types of programs have been multi-faceted and have included activities for both adults and children. The programs for children have included such things as an art show, science experiments, a magic show, a percussion group, an audubon exhibit, exhibit of African art, artifacts and hand tools. (appendix VII)

The programs for young adults and adults have included such things as a filmed tour of Africa, observance of "Black History Week", a soul experience, an afternoon of song, dance and poetry reading, a series of lectures and group discussions. (appendix VIII)

Our most effective means of positive publicity has been word of mouth. There has also been radio, television and newspaper coverage. (appendix IX) Our efforts to utilize the communities innate interest in the arts has been the bases for our successful programs.
