## FOREWORD

A primary goal of the Urban League of Champaign County is to stimulate the growth and development of minority owned businesses in our community. Part of that goal can be attained if open-minded citizens know about and patronize the businesses and services provided by minority entrepreneurs. It is with that thought in mind that we have developed and published this directory.

Economic development, on the other hand, is not our sole concern. We believe that this directory can best serve the community if we list organizations and individuals who exist to serve the spiritual and social welfare needs of the people, free of charge. With that in mind you will find elected and appointed officials, social welfare and health agencies, school and park board members, and religious and fraternal bodies, as well as service or product-for-fee listings.

We are certain that we will miss someone who should be listed and will include some who are no longer in business or in a particular capacity. If the reader sees an error or notes an omission we would appreciate a call to inform us.

We are grateful to all those who assisted in the compilation of the directory, and we thank all for granting us permission to list their names and ventures.

THESE TRACKS,  
TO SOME PEOPLE THEY ARE AN ENTIRE WORLD, A HISTORY OF OUR PEOPLE IN THIS TOWN,  
HOW WE CAME, WHY WE CAME, A REASON TO STAY, AND THE COMMUNITY WE SETTLED  
AROUND THEM.

IF YOU EVER GO UP THERE, THOUGH YOU PROBABLY NEVER WILL,  
LOOK IF YOU CAN BEYOND THE BLINDING DEARNESS  
KNOW FOR ONE BRIEF MOMENT THE REALITIES THERE  
AND THE HOPES AND DREAMS OF MY PEOPLE TURNING IN TIME.
