Manifesto

At the 1998 National Conference on Aging, the National Council on Aging (NCOA) and the National Council on Disability (NCD) issued a joint statement, "The National Council on Aging and the National Council on Disability: A Joint Statement." This statement is a call to action for the federal government to address the needs of older Americans with disabilities. It is a call to action for the federal government to address the needs of older Americans with disabilities.

About us

The National Council on Aging (NCOA) is a national organization that advocates for the needs of older Americans. It is a non-profit organization that has been working for over 50 years to improve the lives of older Americans. The National Council on Aging (NCOA) is a national organization that advocates for the needs of older Americans. It is a non-profit organization that has been working for over 50 years to improve the lives of older Americans.
