Mr. Anthony Baldarotta, Chairman
The C/U Douglass Center Library
Joint Board
Lincoln Trail Libraries
Interstate Drive
Champaign, Illinois 61820

Dear Mr. Baldarotta:

We the members of the Douglass Center Library Advisory Board reject the "Douglass Center Branch Library Proposed Regulations of October 4, 1971" for the following reason: That we the members of the Douglass Center Library Advisory Board were not consulted or directly involved in the drawing up of the aforementioned regulations. Therefore, we would recommend the rejection of the proposed regulations by the Joint Board. Acceptance of the proposed regulations by the Joint Board would be detrimental to the Douglass Center Library Project.

We further recommend a study session dealing with personnel policies. This study session should be composed of members of both the Joint Board and the Douglass Center Library Advisory Board.

Sincerely,

Terry Townsend, for

Douglass Center Library Advisory Board
